

St. Paul Catholic Newman Center Women's Guild

June 2019

Mission Statement:

Provide spiritual opportunities. Promote fellowship and Christian service through projects that benefit our church, its members and the surrounding community, and build bonds of friendship through social activities.

THANK YOU!

Thank you for being a member of the Women's Guild. Your support throughout this year is immeasurable. This guild is only as good as its members and your desire to contribute to this ministry is truly appreciated. Please review a sampling of our accomplishments below. I hope you will renew your membership in the fall when we start anew. We look forward to our renewals, wish to gain new members and look forward to a year of service, joy and fellowship as we promote St. Paul's Catholic Newman Center to our fellow parishioners and through our outreach projects to the community. If you have not been able to attend meetings, please know that you are missed and we sincerely hope to see you next year. Whether you can meet regularly, occasionally or should circumstances keep you from physically attending, know that your support is truly appreciated. We hope that our frequent email communications and website updates will keep you abreast of our parish projects, contributions and community outreach. We hope to see you next year!

Review of our year together 2018/2019

Under the leadership of our President Veronica Watson, much was accomplished this year. The "You Are Worthy Luncheon", Women's Retreat, Annual Cookie sale, sponsorship of Bunco Night names just a few projects undertaken and successfully executed. Also, financial donations to the new sound system; albs for altar servers, the Giving Tree to name a few. Caroling at the Nazareth House was a touching evening bringing joy to the residents and

carolers alike. The Christmas party was truly a fun-filled evening of laughter, intrigue (white elephant), and great food. As this year comes to a close we are thankful for the opportunities we encountered that positively impact our parish and community. Looking to the future, it is our sincere desire to grow the Guild, build upon current relationships, create new friendships, and enjoy fellowship as we strive to fulfill our mission statement.
